Hello Melissa - I thought we were caught up with our 1900-55's, seems the June 21-23 came through during my transition into the response. I looked at our records, and June 22 and 24 have already been reviewed, signed and submitted. I will work on June 21 and 23 and submit those as soon as reasonably possible. Please give me a call if you have questions or if there is any clarification needed on the 1900-55's. I want to make sure we are back on track.

Since our process has changed, and I have been assigned the POC for all 1900-55 related to this response, it would be helpful and less confusing if you please direct all questions and 1900s to me directly. I will ensure the appropriate OSC reviews and signs them. Thanks for your help Melissa and please don't hesitate to contact me at any of the following numbers.

Thank You,
